# Certificate of Compliance

Issued to: haewa GmbH Industriestrasse 12 Wain, Baden-Wurttemberg 88489 Germany

This certificate confirms that representative samples of: INDUSTRIAL CONTROL PANELS - COMPONENT See next page for models

Have been evaluated by UL in accordance with the component requirements in the Standard(s) indicated on this Certificate. UL Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for installation in complete equipment submitted for investigation to UL LLC

### UL 508A - Standard for Industrial Control Panels CSA C22.2 No. 14-10 - Standard for Industrial Control Equipment UL 50E & CSA C22.2 No. 94.2-07 - Standard for Enclosures for Electrical Equipment, Environmental Considerations

Additional Information: See UL Product iQ<sup>®</sup> at <u>https://iq.ulprospector.com</u> for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Recognized Component Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Recognized Component Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Recognized Component Mark on the product.
